

Mechanical Fitters

Austral Resources own and operate the crushing plant at the Lady Annie Mine Site, 120 km from Mt Isa in Queensland.

The Company currently has 2 x vacancies for full time mechanical fitters in our Crushing Department.

The crushing plant comprises a primary crusher, secondary crusher and associated screening and conveying equipment, along with equipment for pre-conditioning the copper ore prior to leaching. Additionally, the plant comprises an overland conveyor system and radial stacker for placement of ore onto heap leach pads, where extraction of soluble copper is carried out.

The plant was refurbished and re-commissioned in 2022 and has been operating at or above target throughput rates post re commissioning.

This role is offered on 12 days on, 9 days off roster and is FIFO from Brisbane, Townsville or Cairns.

About of the role:

The Mechanical Fitter will be required to work in a small team and carry out breakdown repairs on the crushing plant, along with regular preventative maintenance checks and corrective actions. Planned (minor) shutdowns will be carried out weekly, along with occasional extended shutdown to replace wear components in the crushing and screening equipment.

About You:

- Experience with fixed plant crushing equipment essential, with preferred candidates to have more than 5 years' experience in similar role,
- Mechanical fitter trade qualifications required,
- Some experience on mobile equipment with basic fabrication and welding ability would be well regarded but not essential.

Safety is a core value at Austral and we expect all levels of employees to always act in a manner that seeks to enhance the safety culture and performance of our operations.

Remuneration will be commensurate to the skills and experience of the successful applicant.

Site amenities include a fully equipped modern camp facility with ensuite rooms, gym, pools, wet mess, internet room and NextG coverage. All transport and meals are provided.

Eligibility:

Candidates must be domiciled and eligible to work in Australia (without requiring sponsorship) to be considered for employment by Austral Resources.

Please send resumes to: admin@australres.com.
